

LUNCH AND LUNCHROOM

Children are to bring a packed lunch from home. Included should be an extra napkin, paper towel, or small place mat to put on the table for sanitary reasons. Please pack a balanced nutritious lunch for your child. Do not over pack, especially in the primary grades. All food must be eaten in the lunchroom. No food is to be taken to the playground or classroom.

ALL FOOD BEING BROUGHT TO SCHOOL BY PARENTS FOR STUDENTS, INCLUDING HOT LUNCHES, MUST BE DELIVERED TO THE SCHOOL OFFICE. Parents bringing lunches to school for their children may not bring lunches for other students. **Parents are not allowed to eat lunch in the lunchroom with their student.**

If a student is without lunch, it is the student's responsibility to stop by the office on the way to the lunchroom to see if a lunch has been dropped off for them.

The school will provide food for students without a lunch for a fee. A notice will be sent home regarding payment which should be sent in to the office the next school day. Each student is limited on these provided lunches.

An allergy free table is available in each lunchroom for students with food allergies.

Milk tickets are sold in the office daily. Price of milk varies from year to year and is based on the cost from our supplier. Milk may only be purchased with a ticket (ten ½ pints, 1% white or chocolate).

Water tickets are sold in the school office daily. Water may only be purchased with a ticket (ten 16.9 oz. bottles).
